CHAPTER 1: INTRODUCTIONS ... Are In Order ................. 1
Wherein I blame it all on my too-happy childhood and drag you down the rabbit hole of Happy Bunny Bicycling with me.

CHAPTER 2: WHY BOTHER? — You Know You Want To ............. 7
After this, there will be no more excuses for not riding your bike, and quite a few reasons why you should.

CHAPTER 3: A BRIEF HISTORY OF BIKE — Sorry, Dr. Hawking ... 21
So why, after over a hundred years, do bicycles still look like they did a hundred years ago? Here’s why.

CHAPTER 4: THE BICYCLE — Your Bicycle ......................... 29
This is where we cut through the fog and confusion and, um ... What were we talking about again? Ah, bicycles!

CHAPTER 5: OPTIONAL EXTRAS ... That Make It All Better ..... 79
How to take a simple bicycle and really make it work, or at least look as though it would. Really.
