**Introduction** | 1

## **Part I: The Commons as a Transformative Perspective**

---

### **1. Commons and Commoning** | 13

Commoning is Everywhere, but Widely Misunderstood | 14

What Island Is Not a Commons | 17

Commons in Real Life | 19

    Zaatari Refugee Camp | 19

    Buurtzorg Nederland | 20

    WikiHouse | 21

    Community Supported Agriculture | 22

    Guifi.net | 24

Understanding Commons Holistically in the Wild | 25

---

### **2. The OntoShift to the Commons** | 29

The Window Through Which We See the World | 32

The OntoStory of the Modern West | 34

OntoStories as a Hidden Deep Dimension of Politics | 37

The Nested-I and Ubuntu Rationality: The Relational

    Ontology of the Commons | 41

Complexity Science and Commoning | 46

Making an OntoShift to the Commons | 49

---

### **3. Language and the Creation of Commons** | 51

Words, Terms, and Categories | 52

The Tenacity of Systems of Opinion; The Harmony of Illusions | 54

Language and World-Making | 56

Frames, Metaphors, and the Terms of Our Cognition | 58

Language Evokes and Sustains a Worldview | 60

Keywords from a Fading Era | 61  
 Misleading Binaries | 66  
 How Commoning Moves Beyond the Open/Closed Binary | 69  
 Glossary of Commons-Friendly Terms | 73

## **Part II: The Triad of Commoning**

Introduction | 93  
 Principles and Patterns | 95  
 A Word on Methodology | 99

---

### **4. The Social Life of Commoning | 101**

Cultivate Shared Purpose & Values | 103  
 Ritualize Togetherness | 104  
 Contribute Freely | 106  
 Practice Gentle Reciprocity | 108  
 Trust Situated Knowing | 109  
 Deepen Communion with Nature | 111  
 Preserve Relationships in Addressing Conflicts | 113  
 Reflect on Your Peer Governance | 114

---

### **5. Peer Governance Through Commoning | 119**

A Few Words About Governance | 120  
 Patterns of Peer Governance | 125  
 Bring Diversity into Shared Purpose | 126  
 On the Origins of Peer Governance | 127  
 Create Semi-permeable Membranes | 130  
 Honor Transparency in a Sphere of Trust | 132  
 Share Knowledge Generously | 133  
 Assure Consent in Decision Making | 136  
 Sociocracy and Consent-Based Decision Making | 140  
 Rely on Heterarchy | 143  
 Peer Monitor & Apply Graduated Sanctions | 146  
 Relationalize Property | 148  
 Keep Commons & Commerce Distinct | 151  
 Enclosures as a Threat to Commons | 152  
 Finance Commons Provisioning | 155

---

- 
- 6. Provisioning Through Commons | 163**
    - Make & Use Together | 167
    - Support Care & Decommodified Work | 169
    - Share the Risks of Provisioning | 173
    - Contribute & Share | 175
    - Varieties of Allocation in a Commons | 176
    - Pool, Cap & Divide Up | 181
    - Pool, Cap & Mutualize | 183
    - Trade with Price Sovereignty | 184
    - Cecososola, or How to Ignore the Market | 185
    - Use Convivial Tools | 189
    - Rely on Distributed Structures | 191
    - Creatively Adapt & Renew | 193

### **Part III: Growing the Commonsverse**

Introduction | 201

---

- 7. Rethinking Property | 207**
  - Me, My Freedom, and My Property | 212
  - Property is Relational | 214
  - Collective Property as a Counterpoint to Individual Property? | 218
  - Possession is Distinct From Property | 221
  - Custom as Vernacular Law | 222
  - Inalienability: A Crucial Concept for Commoning | 226
  - Rediscovering the Power of *Res Nullius* | 228
  - Property and the Objectification of Social Relations | 232

---

- 8. Relationalize Property | 237**
  - Decommodifying a Supermarket | 238
  - Why Relationalize Property? | 241
  - A Platform Designed for Collaboration: Federated Wiki | 246
  - Neutralizing Capital in the Housing Market:
    - The Mietshäuser Syndikat Story | 252
  - Hacking Property to Help Build Commons | 257
  - Platform Cooperatives | 260
  - Open Source Seeds | 262
  - Commoning Mushrooms: The *Iriai* Philosophy | 266

Building Stronger Commons Through Relationalized Property | 273  
Re-Introducing Meaning Making into Modern Law | 279

---

**9. State Power and Commoning | 283**

“The State” and “The People” | 286  
Equal Under Law, Unequal in Reality | 288  
Some Working Notes on State Power | 291  
Beyond Reform or Revolution | 296  
The Power of Commoning | 299  
Revamping State Power to Support Commoning | 301  
    Catalyze & Propagate | 305  
    Establish Commons at the Macroscale | 307  
    Provide Infrastructures for Commoning | 309  
    Create New Types of Finance for the Commons | 311  
Commons and Subsidiarity | 313  
What about Fundamental Rights Guaranteed by the State? | 314

---

**10. Take Commoning to Scale | 317**

Charters for Commoning | 319  
Distributed Ledgers as a Platform for Commoning | 323  
A Brief Explanation of Hash and Hashchain, Blockchain,  
    and Holochain | 326  
Commons-Public Partnerships | 333  
Commoning at Scale | 344
